AUTHORIZATION OF TAX ANTICIPATION NOTE IN CITY BUDGETS

(a) The Council hereby finds and determines that:

(I) The monies necessary to fund the City of Darlington budget come primarily from ad valorem property taxes levied against property located in the City (the "Local Taxes")

(II) Monies for the collection of Local Taxes will be prepared and mailed by the County Auditor sometime after September 1, 2020 and Local Taxes are payable without penalty on or before January 15, 2021.

(III) Local Taxes represent a substantial portion of the City's revenues for its operations. Payment of the operating costs of the City, especially wages, salaries and several other expenses cannot be delayed pending receipt of Local Taxes. The City's fund balance and other sources of revenue are not enough cash to provide for current payment of all operating costs pending receipt of Local Taxes.

(IV) The City Council has been advised that the cash requirements to pay currently the costs of operation of the City during the period of July 1, 2020 to January 15, 2021 may exceed the amount of cash available.

(b) The City Council intends hereby to provide for the issuance of Tax Anticipation Notes (TAN) authorized by Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended, and Chapter 27, Title II of the Code of Laws of South Carolina, 1976, as amended. The City Manager deems necessary to issue the Notes without further Council action, whenever the current or projected cash position of the City of Darlington requires such interim financing, subject to the following

(I) The City Manager shall prepare schedules showing the projected cash requirements of the City and the funds that will be available to meet such requirements, including the general fund balance and receipts from all sources.

(II) The City Manager may provide for the issuance of Tax Anticipation Notes in an amount sufficient to provide the City with sufficient cash to meet its projected needs and to maintain on hand an amount not less than 5% of the actual operating expenditures for the fiscal year ending June 30, 2021 (the 2020-2021 Fiscal Year); that in no event shall the principal amount of the Tax Anticipation Notes exceed 75% of the amount of Local Taxes to be levied for the 2020-2021 Fiscal Year without further authorization from City Council.

(III) The City Manager may provide for the issuance of Tax Anticipation Notes at one or more times and may provide for such Tax Anticipation Notes to be fully funded at the time of issuance or to be drawn up against a stated principal amount over time.

(IV) The City Manager may provide for the Tax Anticipation Notes to mature at any time up to and including 90 days after January 15, 2021 and may provide for the prepayment of the Tax Anticipation Notes under such terms as are deemed desirable.

(V) The tax Anticipation Notes may be sold at public sale or by invitation limited to local financial institutions or any particular kind of investor at the discretion of the City Manager; provided that the City Manager shall seek offers to purchase or fund the Tax Anticipation Notes after considering the total amount to be funded and all costs in connection therewith, and shall endeavor to select that method of offering the Tax Anticipation Notes which is expected to provide the funding needed at the lowest total cost to the City of Darlington.

(VI) The City Manager is further directed to obtain the advise of bond counsel as to the details of the Tax Anticipation Notes and the manner of offering thereof and to observe any limitations required under Federal tax laws to maintain the tax-exemption of interest thereon.

(c) For payment of the Tax Anticipation Notes and the interest thereon, there shall be pledged the ad valorem taxes levied for operating purposes for the 2020-2021 Fiscal Year and the full faith, credit and the taxing power of the City of Darlington, and the City Manager is hereby authorized to provide for such pledge and security in the Tax Anticipation Notes.

(d) The City Manager and all other officials of the City are hereby authorized and directed to take all action necessary or desirable to arrange for the issuance and placement or sale of the Tax Anticipation Notes and to enter into such agreements as re customary in connection therewith.
