CITY MANAGER REPORT
JUNE 2020

1. The Columbia office of the South Carolina Department of Transportation (SCDOT) has signed the Memorandum of Understanding (MOU) with the City of Darlington for relocation fees for the water/sewer lines that run down North Main Street on or near the North Main Street bridge. According to SCDOT engineer Brian Dix, construction will start in January 2021 with completion by June 2022. SCDOT plans call for one lane of traffic going each way during construction.
2. Effective June 30, 2020 Public Safety Director Kelvin C. Washington is stepping down from his supervisory role of the Darlington Fire Department. Chief Washington will be concentrating on the Darlington Police Department and his new role as President of the South Carolina Police Chief's Association. Attached is a letter from Chief Washington. We thank him for his service as Public Safety Director for the City of Darlington.
3. We have received digital plans from Georgia-Pacific for the new parking lot to be located across from the GP plate and bowl plant. The $3,5-million-dollar project should begin this summer. Current projections call for the $142-million-dollar project to be completed by December 2022.
4. Lansdowne Earth and Pipe has made corrections to a storm drainage issue on the property of Alva and Betty Mack on Chalmers Street. The ditch on Chalmers Street, piped and filled, as part of the Southwest Darlington Storm Water project was causing extensive flooding under the home of the Mack's. Lansdowne Earth and Pipe extended the angle of a ditch dug by Mayor Curtis Boyd to relieve the flooding issue. Lansdowne Earth and Pipe also removed skirting that had been impeding the progress of water draining. The South West Darlington Storm water project is under warranty for an additional 13 months.

SOUTH CAROLINA

POLICE DEPARTMENT

Kelvin C. Washington – Chief of Police

June 3, 2020

Mr. Howard Garland, City Manager
City of Darlington
400 Pearl Street
Darlington, SC 29532

Dear Sir,

In January of 2019 I assumed the position of Director of Public Safety for the City of Darlington. During the last 18 months I have had the distinct pleasure of serving the brave men and women of the Darlington City Fire Department. It has been a pleasure to serve with these dedicated public safety officers that are committed to the safety of our beloved community. Throughout my career, I have dedicated myself to the betterment of the lives of the men and women that I have been so blessed to lead. My tenure as Public Safety Director is no different. When I assumed this position, I assumed this additional responsibility with no request for a salary increase. At that time, the betterment of our community was foremost in my decision to accept the additional responsibility as Public Safety Director. I believe wholeheartedly that public safety officers throughout our country are not paid what they are worth and are certainly not paid for what they risk day in and day out. As I stated to you a few weeks ago I am so compelled about the inadequacy of pay for first responders that I am respectfully requesting that my cost of living adjustment for the 2020-2021 fiscal year be distributed to the six lowest paid firemen at our fire department. I know and realize that this amount of money hardly comes near their actual worth, but I feel it is the least that I can do for people who give so much of themselves.

In addition, due to anticipated greater law enforcement demands, I would also respectfully request to be relieved of my management and oversight duties over the fire department. This is not an easy decision but a necessary one due to ongoing activities around the country pertaining to policing and our profession. I feel the need to spend more time strengthening our relationship between our police department and our community. Chief Cavanaugh is a hard-working, motivated, committed Fire Chief and is more than capable of continuing to move the Fire Department forward without my oversight. He and I have created a close bond and will continue to work together to make the City of Darlington a safe and comfortable environment. Mr. Garland, I thank you, Mayor Boyd and all the members of city council for your continued support of the public safety officers for the City of Darlington. Please allow this request to take effect June 30, 2020.

Respectfully Submitted,

Kelvin C. Washington
Police Chief

Darlington Downtown Revitalization Association

Report for Council – July 7, 2020

Congratulations to the City of Darlington team who came out on top at the **Annual DDRA Golf Tournament** on **Wednesday, June 24,** at Darlington Country Club under the club's new golf pro Jordan Hinson. Thank you to **Carolina Bank, Darlington Raceway, Fitness World Gyms, and Nationwide Insurance** for their support of our tournament this year and in years prior. Also, thanks to **Coca-Cola, fBI Construction, Wilson Senior Care**, **Palmetto Office Furniture, Howle Law Firm, Lowe's Tow Bars,** and **Marlboro Development Team** for their support!

Since we are unable to have many of our events, such as the Taste of Darlington and concert events downtown, due to COVID-19 and social distancing requirements, we have begun a summer promotion and contest to encourage shoppers to keep their dollars in Darlington. This effort to **Save Our Restaurants & Eat Local** will give patrons a chance to win one **of three $250 CASH prizes** just for eating at locally owned restaurants in town. Simply eat local, get your brochure stamped by the business when you pay, collect 20 stamps, and mail in your brochure to be entered into the drawing. You can enter as many times as you like, and entries will roll over from one month to the next. Contest continues through August 31. **The brochures will be available to print out from Facebook and from BuildUpDarlington.org as well as at participating restaurants.**

A brochure is attached.

In the meantime, we continue to promote Darlington and its businesses on Social Media and through our News Alert System each week, and we continually update our Web page, www.BuildUpDarlington.org/covid19, as businesses adapt to this new normal. Members receive the most prominent placement on the updates and can use our service to send out notices about upcoming hours, specials, employee recognition, and events. Individuals, businesses, industry partners, nonprofit organizations, churches, and civic clubs are eligible to be DDRA members.

For more information, call Lisa Rock at 843-992-1561 or visit www.BuildUpDarlington.org.

City of Darlington

Planning Report

June 2020

Planning Report June 2020

Planning & Economic Development

- Attended meeting of the DDRA Board of Directors, Historic Landmarks Commission, and City Council
- Coordinated public information, signage, and staging for Public Hearing on the budget
- Researched video services to continue live feeds of council meetings
- Continued refining the new city Website, www.CityofDarlington.com
- Coordinated with Asset Technology Group to develop the remote meeting set-up and associated items to comply with FOIA
- The May 20 City Council meeting broadcast live on Facebook in two parts due to technical difficulties. Part one reached 664 people, had 298 views and 3 shares, 119 engagements, and received approximately 3 comments. Part two reached 1,480 people, had 767 views and 5 shares, 449 engagements, and received approximately 11 comments.
- The May 19 City Council meeting broadcast live on Facebook reached 835 people, had 575 views, 617 engagements, and 2 shares, and received approximately 14 comments.
- The May 18 City Council meeting broadcast live on Facebook reached 2,044 people, had 865 views, 436 engagements, and 7 shares, and received approximately 35 comments.
- The May 5 City Council meeting broadcast live on Facebook reached 1,483 people, had 681 views, 355 engagements, and 5 shares, and received approximately 16 comments.
- The April 13 City Council meeting broadcast live on Facebook reached 2,193 people, had 1,000 views, 650 engagements, and 4 shares, and received approximately 35 comments.
- The April 7 City Council meeting broadcast live on Facebook reached 4,003 people, had 1,800 views and 13 shares, 852 engagements, and received approximately 38 comments.
- Posted the RFP for billboards on Kirven property to bring in revenue for the City
- Continue to work on various tree and beautification issues
- Continued working on the City Annexation Strategic Plan
- Continued to distribute and promote Economic Development Incentives Program
- Worked with several potential and current business owners

Promotions

- Worked on an Eat Local, #ShopDarlington, #ShopLocal Promotion to last through the summer months to encourage residents eat at locally owned restaurants. Monthly prizes of $250 will be drawn through the end of August.
- Maintained a listing and Web page, www.buildupdarlington.org/covid19, to indicate continuing business operations, to include closures and modifications to delivery of services
- Submitted press releases to area TV stations, radio stations, and newspapers regarding city events and responded to FOIA requests.
- Continued work on the DDRA-sponsored tourism and economic development website, including adding a Weekly Update for the week's events. You can sign up for this alert at www.buildupDarlington.org.
- Played host for the **DDRA Golf Tournament for June 24**
- Postponed Taste of Darlington until further notice
- Cancelled DDRA Member Meetings until Executive Order is lifted
- Continued plans for rescheduling events: Darlington Family Fest (previously June 6), DDRA Member Meetings, Bringing Downtown Alive! Events (previously May 7, Sept. 4, and Oct. 22), and Board Meetings
- Continued to update the City of Darlington and the Darlington Downtown Revitalization Association's Facebook and Twitter presences. Worked on logging calendars and schedules of meetings of all City, County, and School District for the entirety of 2020
- Continued to stock flyers for upcoming events in the kiosk in the Public Walkway
- Updated several areas of the City of Darlington website and continued to keep Facebook up-to-date. Facebook "likes" have **increased 1.76 percent** since last month, up to **3,242 likes from 3,186 likes**. Average total reach (The number of people who were served any activity from your Page including posts, posts by other people, Page like ads, mentions and checkins) is **725**.

Boards & Commissions

Boards and Commissions 2020

We have several open seats on various city boards and commissions. It is necessary that all these seats are occupied to ensure city business continues uninterrupted. Please direct interested individuals to the Planning Department or online to www.CityofDarlington.com for an application to serve.

You can find more information online at https://www.cityofdarlington.com/boards-commissions/.

Historical Landmarks Commission – Six Seats Available

The Historical Landmarks Commission meets quarterly at 5:30 p.m. on the first Monday of the second month of the quarter (February, May, August, and November). Called meetings are held as needed. This board makes determinations on the appropriateness of requested changes and repairs done in any of the city's three residential historic districts.

Mr. George Chace, Ms. Rose Pruitt, and Ms. Catherine Howle would like to be reappointed.

Beautification Board – One Seat Available

The Beautification Board meets monthly at 5:00 p.m. on the third Wednesday of the month, except July and December. This member board makes decisions regarding beautification efforts, such as the Gateway project and Clean Up Darlington Day, and landscaping plans.

Board of Zoning Appeals – Three Seat Available

The Tree Board meets quarterly at 5:30 p.m. on a Monday evening; at 10 a.m. Friday, December 6; and on an as-needed basis. This member board makes decisions regarding Arbor Day and other tree planting projects as well as determinations about removals.

Mr. William Jackson would like to be reappointed.

Design Review Board – Four Seats Available

The Tree Board meets quarterly at 5:30 p.m. on a Monday evening; at 10 a.m. Friday, December 6; and on an as-needed basis. This member board makes decisions regarding Arbor Day and other tree planting projects as well as determinations about removals.

Meeting Minutes & Agendas

All City board and commission meetings have been suspended until the Governor's Executive Order is lifted unless an action is needed to continue business.

CITY OF DARLINGTON
HISTORIC LANDMARK COMMISSION
MEETING MINUTES - DRAFT

The City of Darlington Historic Landmark Commission met on **June 22, 2020,** at City Hall, 400 Pearl St. Attending were commission members, Ms. Pierson, Ms. Brasington, Mr. Chace, and Ms. Pruitt, as well as staff members, Ms. Jones and Ms. Rock. Guests included Mr. Lonnie Eldridge.

Ms. Pierson called the meeting to order at 5:30 p.m.

Ms. Brasington made a motion to accept the minutes from the **February 3, 2020**, meeting. Mr. Chace made the second. The motion carried unanimously.

Case 01/2020 Property at 319 Darlington Avenue: Ms. Rock presented the application for a certificate of appropriateness and photos of the property. Mr. Eldridge read the following statement from one of the owners, Staci Burrough. The other owner serves in the military and currently is stationed in Guam.

> *I am sending this correspondence to outline the proposed plan to build on the land located at 319 Darlington Avenue after the demolition of the current edifice. We, the owners of the property plan to demolish the current edifice because it is inhabitable and unsafe. Within one year after demolition, we intend to begin plans to build a one level, single family home with neutral (beige or white) siding. The home will include three bedrooms, 2.5 bathrooms, an eat-in kitchen and open concept living area. We also plan to include a low-level deck or patio.*

Mr. Eldridge said that the owners' mother previously lived there until she unexpectedly died three years ago. She was the secretary for the Pine Center. Since then, the house has sat empty. The roof, ceiling, and floor joists have rotted from mold and mildew. Ms. Rock noted that the National Registry entry did not include any mention of this or any address on Darlington Avenue. The registry entry for the property behind it that faces West Broad Street did not mention a secondary structure either. Photos showed no significant historic detail on the façade. Ms. Jones said the demolition and reconstruction would allow the owners to center the house on the property to give better setbacks on the front and side yards. Mr. Chace asked if the house had once been used as a church. Mr. Eldridge said he could not confirm that, but it was possible. Ms. Rock said the only comments she received were from one neighbor who was concerned it would be apartments but was happy to hear that a single-family home would replace the structure. The Board thought this would improve the area. Ms. Brasington made a motion to approve the demolition of the structure at 319 Darlington Avenue. Ms. Pruitt made the second. The motion carried unanimously.

New Business: Ms. Rock noted the City's new website, www.CityofDarlington.com , which features all the documents and photos Ms. Pruitt so graciously digitized for the City. She said the state has released a digital guidebook to its historical markers. Ms. Rock asked members whose terms would end on June 30 if they would like to serve another two-year term. Mr. Chace and Ms. Pruitt agreed. Mr. Taylor and Ms. Howle were not present, but Ms. Rock will approach them.

Old Business: Ms. Rock said the State Historic Preservation Office received grant funds for damage to historic properties from Hurricane Florence in September 2018. Ms. Pruitt said Mr. Sauls offered to review applications prior to submission for individuals. Ms. Rock said the City would publish an ad to promote the grant's availability.

The meeting adjourned at 5:49 p.m.

AGENDA
DARLINGTON CITY PLANNING COMMISSION
TUESDAY, July 21, 2019 – 9 A.M.
City Hall, 400 Pearl Street, Darlington

1. Call to Order

TOTAL FEES AND FINES COLLECTED	$15,691.17

June 2020 Monthly Report

This continues to be a trying time for recreation. We are slowly fazing back in programming. We have reopened the Harmon Baldwin Center with safety precautions. We are checking temps and asking people to sign in with name, address, and telephone number. We are only offering walking and the exercise room at this time. We will reevaluate later to see when we can start any kind of basketball. We have restarted dog training with a limit of twelve people including instructors. We have two classes of nine on Sunday afternoons.

We have enjoyed the little bit of normalcy and look forward to regaining MORE.

25 MAY – JUN 27 2020

STREET AND SANITATION DEPARTMENT

- Total tonnage in yard debris 395,760 lbs. 197.88 tons.
  Weight receipts available upon request.
- Residential garbage 428,140 lbs. 214.07 tons
  Weight receipts available upon request.
- Commercial garbage 48,960 lbs 24.48 tons tipping fees $1242.37
- Residential recycling 32,900 lbs 16.45 tons

- Vehicle gas usage for time period:
  Dept. 630 $589.24

Grass Crew, cutting grass, checking and cleaning drains. Two permanent employees are on medical leave in this department. We are relying on temps to fill in the gaps at this time.

Bridging the Gap (Disabilities group) is on a short manned crew. They are working only 2 times a week, due to the corona-virus quarantine.

Large order of landscaping equipment was submitted and approved. The order includes the Rec Dept, Water Dept, Admin, and Street Dept's equipment request.

Yard Debris crews collecting an abundance of yard debris. Everyone is cleaning yards thru this stay at home period!

Garbage crews have had to increase their landfill runs daily because of the increased refuse.

Our departments have not experienced

The departments' capital fund account balance the end of May: $64,678.00

Alex Gainey,
Superintendent

Water Department

Non-routine activities for June 2020

1. No major water problems this month. Repaired small leaks, all ¾ to 2 inch..

2. Major sewer issue on East Broad Street. North American Construction Company brought in to assess problem. Street signs set up and sewer placed on by-pass operation. Seeking proposals and estimates for repair options. City received award notice on the RIA grant for emergency funding to help. City looking at other finance options. After doing more video work, we found at least 2 sections we can't get through. We can not pipe burst line if we can't get through it. It looks like the only way to repair Spain to Ervin will be to dig it up. Budget numbers are still a moving target.

3. Several street paving projects have been completed and working on others.

4. Working on Allen Street lift station. One discharge pipe has a hole in it. It is recirculating some back into lift station, causing a loss of efficiency on that pump.

5. Working with City Manager on financing for projects needed.

6. Waiting on official go ahead from RIA on E. Broad St. sewer.

7. Waiting on final engineering approval and go ahead from EDA on Sewer Pump Station Renovations.

8. Preliminary investigations are underway on Farm Street area for possible CDBG grant.
