

**City of Darlington Historic Resource Survey Update
Southeast Darlington – 2022
Research Form**

The City of Darlington has hired a consultant to research and survey the southeast section of Darlington. If you know of any significant historic buildings in this area, will you please fill in this form and return it to the email or address below? For the purpose of this survey, “historic building” can be anything built before 1982. Please see the map below for the location of the survey area.

There is a historic building at (address or intersection): _____

I think it is significant because (someone important lived there, an important event occurred there, an important business was there, it was the first of its kind, etc.):

It was probably built around: _____

I think it still looks the same as it did historically: _____

Or, I think the building has changed because:

My name and contact information:

Phone: _____

Thank you for your help! Please return to:
